

**“I UNDERSTAND
CONCEPTS BUT I
CAN’T APPLY THEM”**

It's easier to understand
Shakespeare than writing
like Shakespeare.

[@forgoodcode](#)

Same goes for foreign languages as well,

Abi Bouhmaida
[@forgoodcode](#)

I can understand some Spanish when people speak around me or when I read it,

Abi Bouhmaida
@forgoodcode

However I cannot
speak or write the
same level of Spanish

Abi Bouhmaida
[@forgoodcode](#)

You practice writing
foreign language, you
practice speaking it and
you get better at it.

Abi Bouhmaida
[@forgoodcode](#)

Right now, this is
where you are.

Abi Bouhmaida
@forgoodcode

Understanding an output
is different from the
creating an input

Abi Bouhmaida
[@forgoodcode](#)

It just means that you're not giving your fingers as much time as they need to learn coding as you're giving your eyes.
